OUR APPROVED AWARDING BODIES

NCC Education: Brit Academy London delivers NCC Education qualifications as a structured pathway for students aiming to build strong academic and practical foundations—especially in business and computing-related routes. Through NCC’s internationally recognised framework, students gain career-focused skills and progression support that can lead to undergraduate progression opportunities, including Top-Up pathways with partner universities such as the University of Greater Manchester and University of Central Lancashire (subject to programme match, entry criteria, and university approval).

OTHM (UK Ofqual Regulated) Brit Academy London offers OTHM qualifications from Level 3 to Level 7, providing a clear level-wise route from foundation to diploma and postgraduate diploma pathways. OTHM programmes develop academic readiness, critical thinking, and professional competence through structured learning and assessment—supporting progression planning for Top-Up and higher study routes (subject to eligibility and approval)

QUALIFI (UK Ofqual Regulated) QUALIFI is a UK-based awarding organisation that delivers Ofqual-regulated (RQF) qualifications through approved centres worldwide. Its programmes—typically available from Level 3 to Level 7—are designed to provide a flexible, career-focused pathway for learners, with many qualifications assessed mainly through assignments (centre delivery may vary). QUALIFI qualifications can support progression to higher study such as Top-Up (Level 6), Bachelor’s final year, or Master’s/MBA-level entry, subject to the specific qualification, university entry requirements, and standard admission criteria.
